

# **Registration Check List Review**

## **New Policies**

- Ms. Amelia Dustin will be helping in the office this year. Her office hours at this time is on Monday from 5:30-7:30pm.
- Dancer's temperature will be taken at the door. Dancer's with 4pm classes are welcome to arrive at 3:45pm to get dressed for class. If your child has a class starting after 4pm please have them come dressed for class. All students will be directed to grab their cubbies and place them on a spot that is outside of the dressing room.
- Cubbies are \$5 and Lockers are \$10 per month that we have face to face classes. Your dancer will be the only one touching this cubby and are welcome to leave their dance shoes inside. While they are in class they place their shoes and street clothing inside the cubby. All dancers are required to have a cubby or locker to store their belongings. There will be no fee for the locker or cubby if we go to Zoom classes.
- If Dickinson Public Schools goes to strictly online classes for an extended period of time (example: November -March), we will change to Zoom classes. All classes will hold at their regularly scheduled time. If this happens, I will call all parents and see if they are comfortable with their dancer(s) attending class with mask. I ask that you give me your honest feeling about this at that time. We many have some classes that meet with a few students in class while others are on Zoom. More information will be distributed about this issue if we have to use this route.
- Dancers are not required to wear masks, unless parents prefer, they do. All teachers and staff will be masked.
- All students and staff will hand sanitize prior to entering the dance studio.
- If your child misses class for any reason please call the Academy of Dance and let us know that your child will not be attending class that week. When they return, their dance teacher will give them a slip stating the times when they can make up the missed class. Please make sure to call the studio and receive verbal confirmation from Ms Amelia or Ms Heather that your child can attend the class prior bringing he or she to make up class.

- Class Add/Drop/Change form- Please complete this form and turn it into the office on or before the 25<sup>th</sup> of the month prior to the change going into affect. For example if you would like your child to add tap class in October, please get us the Add/Drop/Change form by September 25<sup>th</sup>. If we receive your form after the 25<sup>th</sup>, the change will not go into effect the next month but the following. In the example previously mention: they forgot to turn in the form until the 30<sup>th</sup>, their child would not be able to start Tap in October but would have to wait until November.
